Sub: Electricity – Restriction & Control measures – Additional demand effected from 1.11.08 - Reg.

Ref:Memo.No.CE/Comml/EE/DSM/AEE/PMM/F.Powercut/D354/09,dt.11.8.09

In the references cited, it has been instructed in Item No.(iv) that all additional loads effected from 1.11.08 onwards may be checked thoroughly to ensure that the consumer got the additional demand as per the machineries installed genuinely. If any consumer has showed alternators as load instead of motors, action may be taken to eliminate the above load. Both the penal action and reduction of demand has to be enforced for the above.

In this connection , the following is instructed :-

1. All SEs/ EDC are instructed that all additional demand effected HTSCs from 1.11.08 onwards may be checked whether consumers got the additional load genuinely as per the machineries or installed alternators as load instead of motors and accordingly both the penal action and reduction of demand has to be enforced for the above.

2. Further, all SEs/ EDC are instructed that the above measure shall be completed on or before 7.10.09 and action taken report shall be sent to CE/Commercial
