\*\*\*\*\*

This is in continuation to the references cited above and as per the TNERC's Order second cited..

2.In the memo cited in the reference first cited , circle wise allotment has been given for short term supply of additional power at reliability charges to the willing HT consumers by the CE/Operation and all the SEs/EDC have been requested to allocate the additional requirement of power during peak and non peak hour to HT consumers with effect from 18.1.10 to 31.1.10 based on the agreement executed.

3. In the reference 5<sup>th</sup> Cited the instructions were issued by CE/Commercial .

4. Based on the above , the billing procedure is explained in the illustrations enclosed.

5. The Superintending Engineers are instructed to prepare the monthly CC Bills of HT consumers from Jan '10 onwards and to calculate the excess charges.
