- 5.U.O Note CE/NCES/ SE/EE/ WPP/ AEE2/ F.Power cut / D514 /09/ dt 20.07.2009

Tamil Nadu Electricity Regulatory Commission in Order No MP 42 dt 28.11.2008 in the para 26 directed TNEB to permit the utilization of banked wind mill generated energy between 01.12.2008 and 30.04.2009 in five monthly equal installments , wherever necessary by enhancing the demand and energy quota as done in the case of other captive consumers subject to the evening peak hour restrictions."

Based on the above to implement the direction of Tamil Nadu Electricity Regulatory Commission the following working procedure are communicated .

This method is to be followed for the month of 12/2008 to 4/2009 (five months) only to adjust the banked wind energy of the HT consumer . After 5/2009 onwards the above method should not be followed and the quota
