\*\*\*

As per the reference (4) cited above, the Govt. of Tamil Nadu has announced 20% cut on base demand and energy for all HT industrial and commercial services covered under Tariff I & III.

Evening peak hour restriction for HT commercial services and LTCT industrial and commercial service consumers will be relaxed as a trial measure

The above revised order comes for implementation from 13.06.2009

In this connection, in continuation of the working instructions issued vide reference (3) the following working instructions are issued:

**I. HT SERVICES**

- a. The cut of 20% is on the base demand and energy for HT industrial and commercial services may be imposed instead of 30% . The calculation of revised quota may be done as per the working instruction issued in the reference (3) by taking the base period from October 2007 to October 2008.
- b. For new service 72% of the sanctioned demand may be taken instead of 63%. For energy for one shift industry 150 Unit/KVA and for two shift
